

**U. S. Department of Energy
Office of the Chief Information Officer
2008 Information Management Conference**

Call for Presentation / Panel Abstracts

March 17 – 20, 2008

Atlanta, Georgia

Planning is underway for the 2008 Information Management Conference (IMC) formerly referred to as the Annual Information Management Conference (AIMC). **The IMC Committee is currently accepting submissions for presentation / panel abstracts incorporating the conference theme.** Interested participants should visit the conference website, imconferences.energy.gov for official submission guidelines and a list of suggested topics.

"Modernizing the DOE Legacy with IT Enterprise Solutions"

The conference theme focuses on providing meaningful information; interaction to improve Information Technology (IT) management, maximize the contribution and value of IT for the agency. The conference addresses issues regarding acquisitions, implementation, operation, and maintenance of IT in support of the mission, goals, and objectives of DOE and its program offices.

We solicit presentation 1 panel abstracts from DOE Federal employees and contractors. Vendors may request information for opportunities to present corporate sales presentations during the conference by contacting Linda Roberson of Technology Forums - phone (703) 740-1940 or e-mail LRoberson@technologyforums.com

Important Dates:

- 3 November 2007 – December 7, 2007 – Presentation ■ panel abstracts submission begin via the conference website. All presentation / panel abstracts are due by 11:59 pm EST on December 7, 2007. Late submissions will **NOT** be accepted.
- 3 December 21, 2007 – Speakers ■ panelist notified via the conference website.
- 3 February 7 - 29, 2008 – Submit final presentations and speaker biographies via the conference website. Information not submitted by the deadline will forfeit your opportunity to speak and an alternate will be chosen in your place.
- March 17 - 20, 2008 – 2008 Information Management Conference – Atlanta, Georgia

The IMC Committee looks forward to your submission.

For questions, please send to IMC@hq.doe.gov or call (202) 586-3705. **All** submissions **are** due via the conference website.
